**Notes:**

All games are played on the Cagwin-Dorward (small grass), Ghilotti (large grass), and Troppman (football turf) fields at Redwood High School until May 17. Read the schedule carefully! Time/Field combinations change weekly.

The primary source of rainout information is the Community Fields hotline (**415-945-3607**). In the event that this line is not updated, we will attempt to put reliable rainout information on our own hotline (**415-258-4891**) and on the website (<http://www.marincoedsoccer.net>) by 9AM the morning of games (earlier if possible).

PLEASE REMEMBER – NO DOGS AT THE FIELDS!
